NABCJ CONFERENCE ATTENDEES

The conference rate at the host hotel is currently sold out. However, we are working with the host hotel to request an additional block of rooms. In addition, the NABCJ Housing Bureau is working diligently to secure an overflow hotel with comparable rates. Please complete the housing bureau form so that we may add you to the waiting list for a room. Email the completed form to anderbea@comcast.net and office@nabcj.org.

Your understanding and patience are appreciated.
