NABCJ needs your support!

The National Association of Blacks in Criminal Justice is a multiethnic, nonpartisan, nonprofit association of criminal justice professionals and community leaders dedicated to improving the administration of justice. The Association was founded as a vehicle by which criminal justice practitioners could initiate positive change from within, while increasing opportunities for citizens to better understand the nature and the operation of our local, state, and federal criminal justice processes.

As tuition costs continue to rise, NABCJ works to provide financial assistance to college bound students, helping them to further their education. Scholarships are awarded based on a student's professional goals, academic achievement, and financial need. Recipients must currently be a high school senior, enrolled at junior, or community college, or attending an accredited University. Scholarship monies may be applied toward tuition, lab fees, books, or other expenses directly related to school.

We seek support from area businesses and service organizations who are interested in collaborating with us by becoming a Par, Eagle or Ace Sponsor. Sponsorship and advertisement opportunities for your business or service organization are as follows:
